HERE IS A QUIZ FOR YOU

Q. How many seconds in a minute?
(A. 60)
Q. How many minutes in an hour?
(A. 60)
Q. How many minutes until you die?
(A. UNKNOWN)

It's a sobering thought. None of us has full control over our own life span, or the passing seconds. Time waits for no man as we all head for the inevitable end – death – and then what?

Fortunately, Jesus Himself gave us the answer. For those who put their faith in Him as Saviour, Jesus Christ promises eternal life in Heaven

For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish but hath everlasting life (John 3:16).

But for those who reject him and do not accept his words, the Lord Jesus warns of eternal suffering and misery in Hell.

Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels (Matthew 25:41).

That is why the Bible says, Behold now is the accepted time, now is the day of salvation (2 Corinthians 6:2).

None of us can afford to put it off until tomorrow – we must put our trust in Jesus Christ today, as the only Saviour who will take us from time into the blessed eternity of Heaven.

Jesus Christ died and rose again so that all who believe in Him might receive the gift of eternal life.
